Friday 19<sup>th</sup> May, 2017

## Notices for Next Week

**School Dinners:** Next week is **Week 2** of our school menu

Thank you to everyone who attended the meeting for Year Five parents and carers after school yesterday. Staff from **St. John Fisher Catholic High School** visited to introduce themselves and to answer questions. Mr Coyle explained all about the strengths of the school, including exam results, high expectations of behaviour and uniform and what to expect in terms of pastoral care and welfare of pupils. Miss Mawdsley explained all about transition arrangements which will begin with a two day taster session for all Year Five pupils on Monday 12<sup>th</sup> and Tuesday 13<sup>th</sup> June 2017. All pupils should arrive at school as normal and they will be accompanied over to St. John Fisher in the morning and will return at the end of the day. We will write again closer to the date with any further arrangements.

The admission process for High School begins soon after we return in September and the closing date is the end of October. Again we will be sending out reminders and offering our support to help all parents and carers through the process of applying for a place.

In the meantime, please see St. John Fisher's Web Site for lots of information about the school and please contact the school directly if you have any questions.

We were also introduced to the new Headteacher of St. John Fisher: Mrs Rigby, who will be taking over in September 2017. We wish her the very best of luck in her new position.

Today you will receive our spring edition of "**From the Heart**". We hope you enjoy reading this celebration of so many exciting events and excellent learning in our school!

FOSH are launching their "**Smartie Smart**" fundraising event today (details are on a separate letter). Please support their work to help our school.

On Monday **Reception** will holding their **Sports Day** at 1.30pm in the Nursery Garden.

On Thursday we will be welcoming the poet **Paul Delaney** into school. He will be holding an assembly for Years 2—6, before holding workshops with children in Year 5.
