RSE

Over the next few weeks, our pupils from Nursery through to Year Six will be learning about Relationships and Sex Education. The programme we use is called “Journey in Love” and is recommended for use in Catholic Schools by the Liverpool Archdiocese. The programme is age appropriate and sensitively introduced. This is the fourth year of using the programme at Sacred Heart. A guide to what is taught is available on our school website. If you would like further information about the programme, please speak to Mrs Mason.
