Notices for This Week

We are concerned about the valuable items which are being brought into school, which include **phones, fitbits and iwatches**. **School is not responsible for the safekeeping of these items.** All watches must be removed during PE lessons. The watches allowed in school are those which only tell the time, not fitbits or iwatches. Thank you for your co-operation in this matter.

CAFOD Pilgrimage As you are aware from last week's Heart Beat, all of our children have been taking part in a pilgrimage. "I alone cannot change the world, but I can cast a stone across the waters to create many ripples." *Saint Mother Teresa* We are inviting all children next week to cast a coin into our pool to create a ripple; together we will change the life of a child in Africa. Any coins are appreciated.

On **Thursday 15th February** FOSH (Friends of Sacred Heart) will be holding **Valentine's Day Discos**. Full details are overleaf.

Our budding Mathematicians in Key Stage Two took part this week in an **Inter-Schools Maths Challenge**. The Year 3 and 4 team came 1st out of 14 schools, and the Year 5 and 6 team came 4th out of 19 schools. We are so proud of their achievements, and are particularly proud of the way they all conducted themselves—Miss Fouracre reported that there was very positive feedback about all of their behaviour. Well done, all of you!
