Dear Future Parents and Carers

Thank you for showing interest in our school and for visiting our website. We understand that choosing a school for your child, is one of the most important decisions that you will make. We know that you will want to find out as much about Sacred Heart Catholic Primary School as possible, before you make your decision.

Due to Government guidance and Covid-19 restrictions, we have been unable to host an open day this year and we have not been able to offer tours. This has always been an important part of introducing new parents and carers to Sacred Heart. The opportunity to visit has been most helpful for parents who are new to our school and we regret that we have been unable to meet with you. As Government Guidance and Covid-19 restrictions change, we will keep this under review.

In the meantime, our school website contains lots of very useful information about our school. I do hope that you will take the time to browse through and discover the many exciting and informative areas of school life.

Details about our admission arrangements are in the section: Key Information/Admissions. Here you can find our admissions policy and also our supplementary faith form. Parents of children who already attend Sacred Heart Nursery must complete the application for school, as they are not automatically given a place at school. Please note that the closing date for applications to school for September 2021 is 15<sup>th</sup> January 2021.

You can find lots of information in our school prospectus, which is also available on the school website, under key Information /Prospectus 2020.

We also have a wonderful Facebook page, which celebrates all the exciting events and activities at Sacred Heart Catholic Primary School, Wigan.

If you have any questions about the application process or indeed any further queries, please do not hesitate to contact us at school on 01942 231478. We re-open after Christmas on Wednesday 6<sup>th</sup> January 2021.

Yours sincerely,

Mrs Mason  
Headteacher
