NOTICES FOR THIS WEEK

Are you 'Hungry to Learn' about what and how we teach your child?

This week's session is for our **Year Five** parents, this **Wednesday morning at 8.15am**. You should have all received a letter and ordered your breakfast! (If you haven't already signed up, contact the school office on Monday.)

The **School Photographer** will be in on **Wednesday 10th October** to take pictures of children individually and with brothers and sisters. If your child attends our nursery but isn't in session on a Wednesday and you would like their photograph taken, please bring them to the school office, on Wednesday at 1.15pm.

On **Thursday 11th October**, a small group of children will be representing Sacred Heart at the Wigan Schools' Eco Conference at Robin Park.

Family Fast Day - BRIGHTEN UP the World A HUGE thank you to everybody who dressed up in brightly coloured clothes for CAFOD. So far we have raised **** £282.94 ****

Head lice Unfortunately, head lice in children aged 4—11 years is common. "... it's thought that up to one in three children in the UK may get head lice at some point during the year." www.nhs.uk/conditions/Head-lice
They can't fly, jump or swim and are spread by head-to-head contact, climbing from the hair of an infected person to the hair of someone else. Tying your child's hair up in a ponytail or plait can help. Please check your child's head regularly. If you find head lice, please treat accordingly.

They are looking for feedback from schools and parents around their thoughts and experiences of the current immunisation programmes. There is a survey for parents to give their feedback on the service. To take part in the survey, please use the link below. The survey will close on 31st October 2018.
