NOTICES FOR THIS WEEK

This week's edition of Heart Beat is being sent out to all families as a paper copy, while the new Parent Mail system is having its finishing touches applied! Please make sure that we have your text and email details up-to-date. You can do this through the ParentMail app or via the school office.

Staying in touch... Now that we have moved to ParentMail for our texting and emailing service, you will have received a message from ParentMail - please follow the instructions in the message to register, download their secure free app for Apple or Android and set up a pin. **If you have not received the ParentMail message, please contact the school office.**

As many of our school letters will now be sent out to you electronically, it is essential that you inform us if you have not received the ParentMail message, or if you have not been able to register. Don't forget that we keep our website up-to-date with the latest information available!
