Dear Parents and Carers of **children in Year 5**

You said:
I would like more
information about what my
child is learning at school

Last year, we held parent information meetings over the Autumn Term for every year group. The meetings were held at 6pm as we felt this time would be suitable for most parents. The meetings were interactive, practical and enjoyable, and the feedback from those parents who attended was very positive.

"It was fun and informative. I feel like I can help the children more at home." (Y2 parent)

"It's different from the way we learnt it when we were at school." (Y4 parent)

*"I came last year, so I thought it was going to be the same but it wasn't – each year group do different things"
(Y5 parent)*

Unfortunately, the meetings, despite being well received, were poorly attended. So this term we are trying something new.

Learning for Breakfast. Wednesday 10th October 8.15am

This year we are inviting you to bring your child to school, have a little bit of breakfast together and then spend some time with the class teachers and children.

The **Year Five** meeting

8.15 Breakfast – KS2 Hall – Parents and children

8.45 Children go into class for registration

Parents remain in the hall with the class teachers

The teachers will then explain a little about what's being taught; how it's being taught; how you can help.

9.30 Children return to the hall to show you how it's done!

We know we all have busy lives and time is precious but your attendance at these meetings is really important and appreciated. The staff want parents to get as much as possible from the meetings. So if there is anything in particular you think should be covered, or would like to be covered please complete the suggestion section of the reply slip.

Yours sincerely,

Mrs C. Mason
Headteacher
