

British Values

At Sacred Heart, we 'actively promote' as set out by the government, the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.

A key part of our curriculum is to ensure that all children at Sacred Heart become valuable and well-rounded members of society who treat others with respect and tolerance, regardless of background. This ensures that our children understand the importance of respect and leave our school fully prepared for life in modern Britain.

During November, our assemblies are focussing on what it means to live in Britain today. We are exploring each of the British Values and asking ourselves the question: 'What are British values and what does this mean for me?'

Thank you to Beth and her mum, who organised a sale of poppies this week. We discovered in assembly why poppies are important. They help us to remember those people who have lost

In assembly this week (2nd Nov 15) we looked at a very old flag.

Do you know the name of the flag?

What do the colours mean?

Which countries are represented on this flag?

Let us pray:

That people everywhere
will learn to live together
in peace.

Lord hear our prayer

their lives in service to our country. We can live in freedom and have individual liberty because they gave their lives for us.

Wear your poppy with pride... and never forget.
