5th October 2017

Dear Parents and Carers of Nursery Pupils

Following yesterday's letter to parents regarding the Nursery Curriculum meeting, we have had three requests from parents to hold an alternative evening workshop. We are committed to ensuring that all parents have the opportunity to access our events and therefore will be holding an additional evening workshop on **Tuesday 7th November at 6.00pm.**

The workshops aim to explore the Early Years curriculum and demonstrate strategies for high quality interactions with children. The idea of the workshop is to explore the new Nursery outdoor environment and model how we use it to engage children in conversation, investigation and exploration. Unfortunately due to the time of year, it will be dark during the evening workshop and therefore we will be unable to explore the outdoor environment. Instead we will use photographs to highlight and illustrate techniques used.

Please complete and return the tear off slip below if you are able to attend.

Yours sincerely

Mrs C. Mason
Headteacher
